

PARENT/GUARDIAN AUTHORIZATION FOR THE ADMINISTRATION OF NON-PRESCRIPTION TOPICAL MEDICATIONS BY DAY CARE PERSONNEL.

To day care nurse, director or teacher:

I hereby request that the following non-prescription topical medication be administered to my child by a staff member of the day care facility. I understand that I must supply the child day care center with the non-prescription topical medication in the original container labeled with the child's name, the name of the medication, and the directions for the medication's administration. This authorization is limited to the following topical medications:

1. Non-prescription diaper changing ointments that are free of antibiotic or steroidal components.
2. Non-prescription medicated powders.
3. Non-prescription insect repellants.
4. Non-prescription teething medications
5. Non-prescription sunscreen protectants that are free of amino benzoic acid (PABA) or its derivatives.
